Title: *Spiritual Abuse Panel*
Presenter: *Vanessa Cordes & Panel including a pastor, a clinical counselor & a survivor of spiritual abuse*
Organization: *STCH Ministries*
Description: *Well-meant spiritual language is common in faith communities, and can be used in ways that silence people and shield harm. Join a clinical counselor, a pastor, and a survivor of spiritual abuse for an honest, practical conversation about how to recognize both obvious and subtle misuse of spiritual authority, how to respond when someone says they've been harmed, and how to use spiritual language with care. Come away with a clearer understanding of healthy spiritual leadership and concrete steps for your own work and ministry.*
